NB: ♪No licence to use a Sound Recording is granted by SARRAL unless specifically identified.

♪Reproducing a translation, please contact the relevant publisher or representative in S.A. to check for an existing translation of the song. If not, apply to the publisher or representative in S.A. Supply them with the original lyrics of the musical work and the translated version.

♪Reproducing a Backtrack/Original soundtrack of a song, please contact the master right's holder (record company) to obtain permission, before applying for a mechanical licence.

♪ Where the Sound Recording is owned by the third party the applicant must provide written proof that such third party's Sound Recording may be used.
